INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

(1) *The Cherokee Nation v. The United States*, General-Jurisdiction Case No. 23199; (2) *The Eastern and Emigrant Cherokees v. The United States*, General-Jurisdiction Case No. 23212; and (3) *The Eastern Cherokees v. The United States*, General-Jurisdiction Case No. 23214.

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than \$1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determining the eligibility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records (filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

Related Records

The records reproduced in this microfilm publication are part of the records in the custody of the National Archives and Records Service (NARS) designated as Records of the U.S. Court of Claims, Record Group (RG) 123. These include receipts for Treasury warrants and miscellaneous correspondence, 1906-11. The original of these records is in RG 123; a copy is in RG 75.

Some related records in Records of the Bureau of Indian Affairs, RG 75, have been reproduced as NARS Microfilm Publication T496, *Census Roll, 1835, of the Cherokee Indians East of the Mississippi and Index to the Roll*. Also in RG 75 are the classified subject files of the Bureau.

Records Relating to Enrollment of Eastern Cherokees by Guion Miller, 1908-10, M685, contains the general index to Eastern Cherokee applications, 2 volumes; the report submitted by Guion Miller, May 28, 1909, 10 volumes; the roll of Eastern Cherokees, May 28, 1909; the report on exceptions filed, January 5, 1910; the supplemental roll of Eastern Cherokees, January 5, 1910; transcripts of testimony, February, 1908-March 1909, 10 volumes; various indexes and rolls of Eastern Cherokee Indians, 1851, 1854, and 1884; and miscellaneous notes and drafts.

That I am 58 years of age. I live in Graham county, N. C. I am a full blood Cherokee Indian. I knew Rachel Reed. I have known her for ten years. She is a three-quarter Cherokee Indian. I knew Anna-ni-ah Bigmeat (a man) and Eve Bigmeat. Anna-ni-ah Bigmeat was a full blood and Eve or E-wih, who was the daughter of Rachel Reed, was mostly Indian, ~~right, white~~ but had a little white blood. They never had but two children. One of them died over in Cherokee county, about 14 years ago. It was a boy but I don't know his name. ~~xxx~~ The only child they had that lived was Robert Bigmeat. Welch Bigmeat was ~~xxx~~ the child of Eve but not of Anna-ni-ah. I am raising Welch and Loyd Bigmeat. Loyd Bigmeat is my son by Eve Bigmeat. Robert and Minda Bigmeat are up with their grandmother, Rachel Reed. Eve ~~xxx~~ Bigmeat was the mother of all these children. Wesley Crow was the father of Eve Bigmeat, and Rachel Reed was her mother. Wesley Crow was half Cherokee and half white. Wesley Crow and Rachel Reed were on the 1851 roll. John Wah-goo-lih and Fidela Crow were Wesley Crow's brothers. ~~xxxxxx~~ Alex. ~~xxxxxx~~ Stand-in-water was a half brother of Wesley Crow on the mother's side. Wesley Crow and his brothers and Rachel Reed have always been recognized as members of the Cherokee tribe in this country. Wesley Crow died about a year ago and he was about 66 years of age when he died. Lacy Bigmeat was only the father of Anna-ni-ah Bigmeat, so that Robert Bigmeat was the only one who can claim through Lacy Bigmeat. Anna-ni-ah's mother was Cah-lah-nuh-nee. I have always recognized ~~Logg~~ as my son. Anna-ni-ah always recognized Robert as his son. I don't know who Welch's father was--he was supposed to belong to some white man. Minda's father was an Indian but I don't know his name. He lives in the Qualla boundary. I have filed application #16841.

Bird Walk,
White Pine,

Sir:-

Replying to your letter of August 14, 1907, you are advised that the applications for participation in the Eastern Cherokee fund have not been taken up for final consideration, as the Court in its order of April 29, 1907, extended the time for the filing of applications to August 31, 1907, and until the applications are all filed it will be impossible to give final consideration to any of them, or to state how much each successful claimant will receive.

As there are already over 34,000 applications on file and the claimants are widely scattered through the United States it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

If there is any further information required in connection with your application you will be notified.

Very respectfully,

January 2, 1908.

Bird Walk,

White Pine, Tennessee.

Sir:

Relative to your application No. 6227, you claim a right to share in the distribution of the Eastern Cherokee Fund through your father, John Walk. You also state that he was living in Jackson County, North Carolina, in 1851. If that is true, why was he not enrolled on the Eastern Cherokee Enrollment of that date? The name Walk does not appear on any Cherokee Roll, and, if he was enrolled, it must have been under some other name; kindly furnish us with that name or with any other information concerning your Cherokee ancestors.

Give both the English and Indian names of your grandparents on your father's side and state where they were living in 1851.

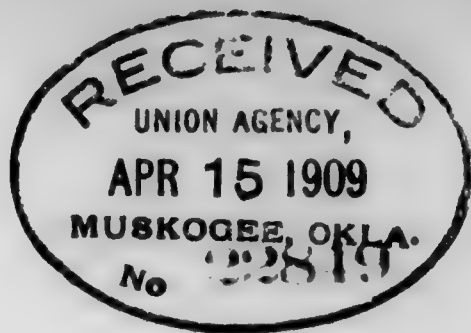

Were you ever held as a slave; if so, were you owned by white people or Cherokees?

Please give this matter prompt attention and refer in your reply to the number of your application.

Very respectfully,

Special Commissioner.

Harrison Coleman, after being first duly sworn,
deposes and says:

I am about 53 years of age; was born in Swain County,
N.C. I have never received any Indian money from the
government. My father was an Indian and my mother a colored
woman. My mother was owned by Mark Coleman and he owned me
too. My father was Cow-see-yoh-kee. I was enrolled by Hester.
My number on Hester Roll is 987. I have never ~~received~~
~~received~~ shared in any payment with the North Carolina
Cherokees. The council has fought me all the time.
Since the time Hester enrolled me these Councils have continually
fought me although the Council pronounced Hesters Roll at
the time it was made as being perfect. I was enrolled by
Hester after submitting proofs. My mother came from Waynesville
and swore that Cow-see-yoh-kee was my father. My Indian
blood was again proven in the Court of Chancery when Judge
Manley held his court. Judge Manley was sent here to hold said
court.

Sir:-

Replying to your letter dated Jan. 2nd, beg to say that my children derive their rights as Eastern Cherokees from the Flythe family. Their grandmother was Sarah Jane Blythe in 1851. She was a sister of James C. Blythe, and the said James C. Blythe was Dempsey Gilstrap's Uncle.

The childrens' names are:---Nora E.; Robert D.; Albert L. and George A. Gilstrap, minor children of Dempsey Gilstrap, deceased. They are first cousins of George B. Keeler's children, namely:- Charles R.; William, Frank D., Albert, Maud, Fred, Lillie and Pearl Keeler, and all derived their ancestry from Sarah Jane Blythe and James C. Blythe.

I think they were living on what had been known as Shoal Creek, in the Cherokee Nation, and were duly enrolled at that time.

Yours respectfully,

Madam:

Relative to your application No. 6229, you claim a right to share in the distribution of the Eastern Cherokee Fund for Nora, Robert, and George Gilstrap, minors, giving their Cherokee ancestors as Dempsey, Jack, and Sarah Gilstrap. The name Gilstrap does not appear on any Eastern Cherokee Roll. Where were Dempsey, Jack, and Sarah Gilstrap living in 1851; if living in the Cherokee Nation, as stated in your application, in what district were they living? Were they enrolled on the Eastern Cherokee Enrollment of that date? Were they known by any other name than Gilstrap?

Please give this matter prompt attention and refer in your reply to the number of your application.

App. No. 6234

January 2, 1908.

Liza Vann,

Bunch, Oklahoma.

Madam:

Relative to your application for participation in the Eastern Cherokee Fund, you claim Eastern Cherokee descent through your father, Shadow, or Chu-dah-yu-la-tah. Neither of these names appear on the Eastern Cherokee roll of 1851. If he was an Eastern Cherokee and was enrolled as you state in your application, it must have been under some other name. Aid us in connecting you with the Eastern Cherokee roll by giving the name under which he was enrolled in 1851. State the names of the members of your family who were enrolled with you, giving both the English and Indian names.

Were your grandparents living in 1851; if so, under what name were they enrolled on the Eastern Cherokee enrollment of that date?

Please give this matter prompt attention and refer in your reply to the number of your application.

Very respectfully,

HWK/WBA

Special Commissioner.

RE. JAN 6 1908
No. 6237.

Hon, Guion Miller,
Special Commissioner,
Washington D.C.

Dear Sir-

Mrs, Nancy Fogg, (who is a full blood Cherokee) wishes me to answer your inquiry relative to her application No, 6257-2084. she does not know very much about her Grand parents, and does not know how they came on the Roll, but has always heard from her people that both her father and mother were on the Roll of 1851.

I will first state that there is no two Indian who try to interpret for these people that spell the Cherokee names alike, and for that reason it may be that confusion has arisen in connection with some of their claims.

I will endeavor to give you as near as I can the desired information asked for in your letter to Gen of Dec, 5th,

Her father was Jim Cochran Her mother was Annie Soap
Indian name Sul-de-saa De Sul-de-saa or Silt-saa

Her Paternal Grand father was Sul-ut-saa Ca-de-lo-rah
Paternal grand mother unknown.

Maternal Grand father was Jim Soap, Indian name unknown
" " mother was Jennie Soap or Ah-stah or Co-stah.

This seems to be all that she can tell of her ancestors, she seems to be certain that both her father and mother were of the Eastern Cherokee Roll of 1851,

Hoping that I have given the desired information and that you will find her name, or the names of her parents on the Cherokee Roll of 1851

Yours truly,

Nancy Fogg

Sir:

You state in your application for right to share in the distribution of the Eastern Cherokee Fund that you were born in 1828 and that you were enrolled on the Eastern Cherokee enrollment of 1851; if so, under what name were you enrolled? Give the names of the members of your family who were enrolled with you and state in what district they were enrolled.

Were both your parents enrolled in 1851; if so, give the names used in enrolling.

Were you ever enrolled with the old settlers? Were your parents known as old settlers? If you were ever enrolled as an old settler, give the exact ~~place~~ place of enrollment.

Give the ages of your brothers and sisters. Any other information concerning your family will be appreciated and might aid us in connecting you with the Cherokee Tribe.

Please give this matter prompt attention and refer in your reply to No. 6238.

Sir:-

Relative to your application #6342 for a share of the money appropriated for the Eastern Cherokee Indians, you state that you claim through your father, John Brown, sometimes called "Bigeye John Brown." I am unable to trace the name of your father upon the roll of 1851. Will you, therefore, answer the following questions in order to aid me in this matter?

How old was your father when he died? Where was he living in 1851? That is, in what district was he living, and was he enrolled in that district? What were the names of his parents, and were they living in 1851? Was your father, John Brown, married more than once? If he was married more than once, what was his first wife's name, and what was his second wife's name? You give as the brothers and sisters of your father Bob, Jim, Elizabeth and John Brown. Were they living in 1851? If so, in what district did they reside, and where were they enrolled from? What relation are you to Jennie E. Morris, of Nowata, Okla? Did you have an ancestor in the East in the Cherokee country by the name of Alexander Brown? If so, what relationship do you bear to him. A prompt reply will be appreciated.

Very respectfully,

With reference to your application to share in the Eastern Cherokee Fund, will you kindly inform us whether or not Jim Wool of Sallisaw, Okla. is a full brother of yours or only a half brother. Did you have any brothers and sisters or half brothers and sisters living in 1851 who were on the emigrant roll of that date? If so, what were their names?

Were your parents living together in 1851, or were they living with their parents or someone else? State who composed the family of each in 1851, giving all the names that they were known by, both Indian and English.

Did Mose Wool ever have more than one wife? If so, what were the names of his different wives?

Did you ever have any relative by the name of Wor-te-yo-ie? If so, what relation was he or she to you? Also, did you have any relative by the name of Young Beaver, and if so, what relation was he to you?

App. No. 6248

January 2, 1908.

Sarah Boney,

Locust Grove, Oklahoma.

Madam:

Relative to your application for participation in the Eastern Cherokee Fund, you claim Eastern Cherokee descent from your father, Jesse Hungry, who you also state was enrolled with the Eastern Cherokees in Saline District in 1851; the name Jesse Hungry fails to appear on the roll made in 1851, neither does the Indian name given in your application appear on that roll. If he was enrolled then, he must have used some other name in enrolling.

Were your grandparents living in 1851, and, if so, in what district were they living, and were they enrolled on Eastern Cherokee Enrollment of that date?

Give the Indian and English names of the members of your family who were enrolled with your father in 1851.

Has your mother made application for a right to share in the distribution of the Eastern Cherokee Fund; if so, give the name under which she applied.

Were your family known as old settlers; were they ever enrolled on the old settler enrollment?

Please give this matter prompt attention and refer in your reply to the number of your application.

Very respectfully,

HWK/WEA

Relative to your application for participation in the fund arising from the decree of the Court of Claims in favor of the Eastern Cherokees, please state the full names of your father and mother? Under what names do you think they were enrolled in 1851?

Give the names of your grandparents on both sides? Were they, or any of them, ever enrolled as Eastern Cherokees?

In stating the names of your parents and grandparents please be careful to spell them as you think they probably appear on the Roll of 1851?

Give any other information obtainable tending to establish your right to participate in this fund.

An early reply will be appreciated.

Nellie Canoe, being duly sworn, deposes and says:

My name is Nellie Canoe. My age is 40 years. I was born in Flint District. I drew the strip payment. I am enrolled by the Dawes Commission. I do not have my number with me. I may be enrolled as Nellie Waterdown. None of my people are Old Settlers. Ah-kil-la-nee or Kil-lan-nee is my father's name. He is dead. He lived in Flint District. His English name is E-sil Ci-gar-we or E-cil Se-gar-we. He did not have any brothers and sisters. Do not know any brothers and sisters of my grandfather Ah-kil-lan-nee. He lived in Flint District.

My mother's name was Di-yah-ni. She is dead; has been dead 8 years. She did not have an English name. She did not have any sisters, but she had one brother named Oo-do-dal-la-da-na. He lived in Flint District. Di-yah-nih was my mother's father's name. I don't remember the names of his brothers and sisters. Nellie was my mother's mother's name. I do not know any of her brothers and sisters. I do not know of any of my people being enrolled in 1851. I do not know why, if they are not on the rolls. I have heard my mother's mother speak of being enrolled and drawing money. They came from the Eastern States. They came with the Emigrants. I always remained here as a Cherokee. I was enrolled as a full-blood. My first husband's father's name was Waterdown. None of these people were known by any other names. Sally Christy is my sister. Ah-kil-lah-ne-ca may be my father's name instead of Oo-kil-lan-nee. He lived in Flint District as far back as I can recall. Never heard of his living in Tahle-ueah District. I saw him when I was very young. I have heard my mother speak of Ah-kil-lah-ne-ca being enrolled. Sallie Kil-lah-ne-cah is my sister about 60 years old. She was enrolled in 1851 and drew money. I never heard of Leesy, Nancy or Stepehn Kil-lah-ne-ca.

REFER IN REPLY TO THE FOLLOWING:

I. B. 3986

DEPARTMENT OF THE INTERIOR,
COMMISSIONER TO THE FIVE CIVILIZED TRIBES.

Muskogee, Indian Territory, February 25, 1907.

Lynch Waterdown,
Bunch, Indian Territory.

Dear Sir:

There is enclosed herewith a copy of the decision of the Commissioner to the Five Civilized Tribes, dated February 25, 1907, granting the application for the enrollment of your child, Bow (Robert) Waterdown, as a citizen by blood of the Cherokee Nation.

You will be advised when the name of your said child has been placed upon a schedule of citizens of the Cherokee Nation and approved by the Secretary of the Interior.

Respectfully,

Commissioner.

Encl.C-85
LMC

W.C.M.

Cherokee N.B. 3986.

DEPARTMENT OF THE INTERIOR,
COMMISSIONER TO THE FIVE CIVILIZED TRIBES.

In the matter of the application for the enrollment of
Bow (Robert) Waterdown, as a citizen by blood of the Cherokee
Nation.

D E C I S I O N .

THE RECORDS OF THIS OFFICE SHOW: That on July 23, 1906,
application was received at this office for the enrollment as a
minor citizen by blood of the Cherokee Nation, of Bow (Robert)
Waterdown, under the provisions of section two of the Act of
Congress approved April 26, 1906, (34 Stat., 137). A copy of
certain testimony taken at Muskogee, Indian Territory, January 30,
1907, before the commissioner to the five civilized tribes in the
matter of the application for the enrollment of Bow (Robert) Water-
down, as a citizen by blood of the Cherokee Nation, is filed here-
with and made a part of the record herein.

THE EVIDENCE IN THIS CASE SHOWS: That the applicant here-
in, Bow (Robert) Waterdown, is the minor child of Lucy Waterdown
and Lynch Waterdown, who are regularly enrolled citizens by blood
of the Cherokee Nation; that the said child was born December 11,
1904, named Bow (Robert) Waterdown, and was living March 4, 1906.
It is further shown that Lucy Waterdown and Lynch Waterdown, belong
to that band of full blood Indians known as "Night Hawks"; that
they are living together as husband and wife, under Cherokee custom
and had been recognized as such for a long period prior to the
birth of said child, and are now known and received as such in the
region where they reside.

Section two of the Act of Congress approved April 26,
1906, (34 Stat., 137), in part provides:

"That for ninety days after approval hereof appli-
cations shall be received for enrollment of children
who were minors living March fourth, nineteen hundred
and six, whose parents have been enrolled as members of
the Choctaw, Chickasaw, Cherokee or Creek tribes, or
have applications for enrollment pending at the approval
hereof, and for the purpose of enrollment under this
section, illegitimate children shall take the status of
the mother and allotments shall be made to children
so enrolled."

IT IS, THEREFORE, ORDERED AND ADJUDGED: That the appli-
cant, Bow (Robert) Waterdown, under the provisions of section two
of the Act of Congress above noted, is entitled to enrollment as a
citizen by blood of the Cherokee Nation, and his application for
enrollment as such is accordingly granted.

Sir:-

Replying to your letter of August 10, 1907, addressed to the Commissioner of Indian Affairs, you are advised that Emily J. Newman included her minor children in her application for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees.

Testimony in case of W. C. Tankesley #6277

Appl. #6277

Eliza Tankesley being first duly sworn, deposes and says:

My name is Eliza Tankesley. I live at Aurora, Ga. I am the wife of W. C. Tankesley, Charles Napoleon Tankesley. He died in 1908. He claimed to have Cherokee Indian blood, he claimed to get it through his mother. His mother got it from her father. My husband was born in 1840 in G. I do not know ~~xxx~~ what County. His grandfather's name was James Bohance, and he was enrolled ~~enrolled~~ off with the Indians. Col. Walker says he was carried off in 1825 or 1826. His mother ^{heard} did not go out west. She was left behind. I have always ^{heard} say was because her father lost her bid to keep her husband from taking her with him. Her grandmother and the child was hid off to keep from going. In 1851 I reckon my husband and his mother were living ~~in~~ in Lumpkin Co. I don't know though. I heard my ~~husband~~ ^{husband} say the reason they were not enrolled in 1851, was because my husband had a step-father, and he could not pay any attention to it. In 1852 my husband was living in Lumpkin Co., Ga. My husband and his brother were enrolled under Sweatland. I don't know why they were not enrolled by Chapman. My husband never got any land out west. My husband's brother got some land out west. He has been out in Cherokee Nation about 30 years. His name is Henry A. Tankesley. My husband's grandfather did not have any Indian blood.

Reasons: Claimant nor any of his ancestors appear on any Cherokee roll. There isn't anything to show that any of his people ever lived with the Indians as a member of the tribe. Claimant was born in 1852 in Hamilton Co. Tenn. and his father was born in Cherokee Co. Sarah I. Scott, being first duly sworn, deposes and says:

My name is Sarah I. Scott. I live at Sewanee, Tenn. I was born in 11859 at Harrison, Hamilton County, Tenn. I claim through both my father and my mother. I claim to be connected to the Cherokee tribe. My father died in 1862, and was about 40 years old. My mother died in 1894 and was 66 years old when she died. My mother and father were recognized as Indians where they lived. ~~My grandparents~~ My grandparents ~~lived~~ came from South Carolina. It may have been North Carolina. My grandparents took part in tribal matters. I guess my father voted. I really don't know. My parents and grandparents never got any money or land from the Govt. My father's brother and mother's brother got land in I. T. I have heard of my great grandparents being enrolled with the Cherokees. My great grandfather was Laban Goins. I heard that he was enrolled. I never heard of my grandparents being enrolled. In 1882 my mother and I were living in Cannon Co. Tenn. I had an aunt that was enrolled in 1882. Her name was Sarah Goins. I heard that my father's father was enrolled. His name was Thomas Goins. I was not enrolled in 1882 because I did not hear about it at that time. I don't remember any of Thomas Goins' brothers and sisters. I just barely recollect him. My mother was raised up with the Indians. I heard her talk about being at the camp with them. The tribe went away and left her in S. C. Her parents did not go west. I guess because they were not full bloods. I heard that my grandparents went up in the mountains to keep from going west.

W. T. Irwin,

Jasper,

Sir:-

Replying to your letter of August 14, 1907, you are advised that the applications for participation in the Eastern Cherokee fund have not been taken up for final consideration, as the Court in its order of April 29, 1907, extended the time for the filing of applications to August 31, 1907, and until the applications have all been filed it will be impossible to give final consideration to any of them, or to state how much each successful claimant will receive.

As there are already over 34,000 applications on file and the claimants are widely scattered through the United States, it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

If there is any further information required in connection with your application you will be notified.

Very respectfully,

ELC.
